Institutional research Committee Meeting

An extended IRC meeting was held on 27th March 2019. The agenda was to review the dissertation progress for the second year PGs. 23 of 27 PGs presented their work progress in a structured format before an extended IRC team. Most PGs showed satisfactory progress of the work. Minor course corrections were suggested for a few. The guides/ coguides were present during the discussions. A detailed report will be shared with the HODs.
