Interaction with University Exam Toppers

Interactive sessions were conducted with the subject wise toppers for the following batches on the following days:

1. Final MBBS part 1 on 25th March
2. Final MBBS part 2 on 26th March
3. Second MBBS on 27th March

Dean HPE, Vice principal, Heads of the departments and students welfare officer were present.

Interaction regarding their success mantra and feedback regarding what and how things can be improved in academics and infrastructures for better student outcome were discussed. High tea was served and group photographs were taken. The students received a congratulatory note signed by all the above members. The students and faculty felt that such programs motivate students to perform better in future.
