Reporting & Review:**Functions of the Committee**

- Quarterly internal review meetings.
- Annual report submission to the college council and management.

Functions of the Committee**1. Student Welfare:**

The committee ensures the welfare of every student, addressing their grievances and providing a supportive environment.

2. Monitoring Facilities:

It monitors the facilities available to students, including medical, financial, and other resources, ensuring they are adequate and accessible.

3. Counselling and Guidance:

The committee offers systematic and periodic guidance and counselling services to students, helping them navigate academic and personal challenges.

4. Interface with Administration:

It acts as a communication channel between students and the college administration, representing student views and concerns.

5. Promoting Holistic Development:

The committee aims to create an environment that fosters emotional, spiritual, and social growth, encouraging extracurricular activities and other programs.

6. Addressing Academic Concerns:

The committee may also address academic issues, such as providing support for students struggling with coursework or helping them access necessary resources.

7. Promoting Health and Well-being:

The committee may organize health camps, provide first aid training, promote healthy habits, and address health-related concerns among students.

8. Managing Dropouts:

It may also handle issues related to student dropouts and work towards preventing them.

9. Orientation Programs:

The committee may conduct orientation programs for new students to help them adjust to college life.

In essence, the Student Care Committee strives to create a positive and supportive environment that enables students to thrive academically, personally, and socially during their medical education.
