

Writeup on ONLINE training programme on CAMU-LMS

One of the issues put forward by I MBBS students in online JAM session conducted on 29.4.2021 is difficulty in registration and accessing teaching content in CAMU. In continuation to that, an ONLINE training programme on "CAMU-LMS" for all I MBBS (2020-21 batch) students was conducted through cisco webex platform on May 8, 2021 11.00-1.00pm.

Programme Coordinators: Dr.Gopinath, Associate Professor, Dept. of Physiology

Dr.Sibi Mandela, Assistant professor, Dept. of Biochemistry

Resource persons: Dr.Varadharaja perumal, Associate Professor, Dept. of Pathology

Dr.Deepa Kameswari, Assistant professor, Dept. of Pharmacology

The session was planned to orient the students about CAMU LMS platform and various facilities available in CAMU Software and how to use the available resources for effective learning. Students were notified in circular to download and install My Camu App- for students and parents in their mobile and PC/Laptop.

Coordinators welcomed all the students and resource persons. An introduction about the camu software and its necessity was explained by Dr.Varadharaja Perumal. A step by step approach for registration with mail id and portal pin in mobile phone in laptop was briefed initially. After ensuring that the students got registered, sign in process was explained followed by domain change to enter the camu software. How to view/edit personal profile, how to apply leave, How to book appointments to meet faculty/administrative staffs, how to view messages, attendance, timetable, assignment submission, holidays, assessments, exam schedules and results, payments and how to download teaching content (ppts) was explained in detail with a demo video. Teaching content can be accessed only through the PC/Laptop was stressed upon once again to all the students.

This was followed by doubts clearing session. Some students raised some queries regarding difficulties in registration and logging in. Resource persons assured the students of access to CAMU LMS for all within next week and gave camu support mail id for contact if the students find any difficulties or any queries regarding the steps or any other function while using the
