

## International e-Conference

International e-conference on “Emerging Trends in Research-Emphasis on Basic Medical Sciences” was organized by the Departments of Anatomy, Biochemistry, Physiology and Centre for Biomedical research of Aarupadai Veedu Medical College, Pondicherry from 17<sup>th</sup> -19<sup>th</sup> September 2020. The conference had 1121 confirmed registrations and 179 papers for oral and 44 for Young Research Scholar Award presentations in Faculty, PhD, Postgraduate and Undergraduate categories. E-Posters competition was also held for undergraduates. There were 20 eminent national and international speakers. Apart from guest lectures there were panel discussion and e-workshop.

The theme of the conference “Emerging Trends in Research-Emphasis on Basic Medical Sciences” was chosen because basic science research is not only essential but is also crucial to enhance knowledge and help understand a particular subject in depth. The information thus gathered with respect to the changes in the cells and the molecules associated with any disease process help clinicians to offer better health care delivery. Research demands critical thinking, logical reasoning and creative application by exploring research trends. The next generation Professionals should be aware of the latest research advances and have to be assertive in their practices which should be evidence based for efficient and effective patient care.

The focus of this conference was on:

Recent advances in basic medical science research and its application in diagnostics and medical education with special emphasis on:

- a. Artificial intelligence
- b. Medical robotics
- c. Alternate animal models for research
- d. Molecular biology
- e. Cytogenetics

The conference was organized with the objective: To Explore the Opportunities and Challenges in Basic Medical Sciences Research in the current scenario.

**Day1 Highlights:** The conference started with inaugural programme with the virtual participation of Dr A S Ganesan, Hon'ble Chancellor, VMRF; Dr Anuradha Ganesan, Director, VMRF; Dr P K Sudhir, Hon'ble Vice Chancellor, VMRF; Mr J Suresh Samuel, Member, Board of Management, VMRF, Dr P F Kotur, Dean, Dr V N Mahalakshmi, Dean-HPE; Dr Vishnu Bhat, Director-Medical Research, Dr K Jayasingh, Medical Superintendent, University officials, Members of STB, Deans of other Medical colleges affiliated to VMRF, Delegates and faculty of Aarupadai Veedu Medical College.

Dr Manju, Professor, Department of Biochemistry was the MC.

Dr Lakshmi Jatiya welcomed the dignitaries, delegates and guests. Dr Sasmita Mishra introduced the theme of the conference.

Dr A S Ganesan inaugurated the conference with the inaugural address and lit the lamp along with Dr Anuradha Ganesan, Dr P K Sudhir, Mr J Suresh Samuel, Dr P F Kotur, Dr T Rajan - Organizing Secretary and Dr Lakshmi Jatiya and Dr Sasmita Mishra – Organizing Chairpersons.

Dr Anuradha Ganesan released the e-souvenir. This souvenir had ----abstracts, program and invited talk details. She also gave a prologue to the e-souvenir.

Felicitation addresses were given by Dr P K Sudhir and Mr J Suresh Samuel.

Dr P F Kotur delivered the Presidential address which was followed by Vote of thanks by Dr T Rajan.

Inaugural programme culminated with National Anthem.

There were 5 invited talks by eminent speaker from India and abroad chaired by eminent Professors. Panel discussion on ‘Enabling Research in Institute’ was moderated by Dr Lakshmi Jatiya and the panellists were Dr P F Kotur-Dean, Dr V N Mahalakshmi-Dean-HPE and Dr Vishnu Bhat - Director, Medical research. This was followed by oral presentations for PGs, PhDs and YRS Award presentations by Faculty.

INVITED TALKS ON DAY 1-THURSDAY (17.09.20)					
Time	Programme		Felicitor		
Time	Type of session	Topic	Resource person	Chairperson	Moderator
10.45 AM-11.30 AM	Scientific Talk	Mechanism-based combination therapy in cancer: Telomerase and DNA repair inhibition	 <p><b>Dr. M. Prakash Hande, PhD, MPH</b>  <b>Department of Physiology</b>  <b>Yong Loo Lin School of Medicine</b>  <b>and</b>  <b>Tembusu College</b>  <b>National University of Singapore, Singapore</b></p>	<p><b>Dr. Deepti Shastri</b>            Professor &amp; Head, Dept. of Anatomy            Vinayaka Missions Kirupananda Variyar Medical College, Salem, Tamil Nadu</p>	<p><b>Dr. Manju. M</b>            Professor            Dept. of Biochemistry, AVMCH</p> <p><b>Dr. Sudagar</b>            Assoc. Professor            Dept. Of Anatomy, AVMCH</p>
11.30 AM - 12.15 PM	Scientific Talk	Applications of mind-body medicine	 <p><b>Dr. Vivek Kumar Sharma</b>  <b>Dean, Government Institute of Medical Sciences</b>  <b>Greater Noida, UP, India</b></p>	<p><b>Dr Anand, Balayogi Bhavnani</b>            Director, Yoga centre, MGMC</p>	

12.15 PM - 01.00 PM	Scientific Talk	Exploring Nuclear Receptor in Health and Diseases	 <b>Dr. Suresh PS, PhD</b> Assistant Professor, School of Biotechnology, NIT Calicut.	<b>Dr. Deepti Shastri</b> Professor & Head, Dept. of Anatomy Vinayaka Missions Kirupananda Variyar Medical College, Salem, Tamil Nadu		
01.30 PM - 02.15 PM	Scientific Talk	Adult Stem Cells in Cancer Therapy	 <b>Dr. Jalaj Gupta</b> Assistant Professor, Stem Cell Research Center (SCRC), Department of Hematology, Sanjay Gandhi Post Graduate Institute of Medical Sciences Lucknow	<b>Dr. Subbu Lakshmi Chidambaram</b> UGC-FRP Asst. Professor Dept. of Biochemistry & Molecular Biology		
02.15 PM - 03.00 PM	Panel discussion	Enabling research in the Institute	 <b>Dr. P. F. Kotur</b> DEAN, AVMC	 <b>Dr. Vishnu Bhat</b> Director - Medical Research AVMC	 <b>Dr V. N. Mahalakshmi</b> DEAN - HPE AVMC	<b>Dr. Lakshmi Jatiya, HOD,</b> Dept. of Physiology, AVMCH  <b>Dr.M.Aarthi</b> Research Associate AVMC
03.00 PM - 03.45 PM	Scientific Talk	Smart Scaffolds for skin wound healing	 <b>Dr. Dinesh Kumar, Srinivasan MBBS MS PhD</b> Department of Anatomy Yong Loo Lin School of Medicine and Tembusu College National University of Singapore, Singapore	<b>Dr. Santhini Arulselvi Kaliyaperumal</b> Professor & Head, Dept. of Anatomy Vinayaka Missions Medical College, Karaikal		
03.45 PM - 05.00 PM	Scientific Presentation	Scientific Presentation- Oral presentations for PGs and PhDs and Young Research Scholar Awards for Faculty and e-posters for undergraduates were displayed at the event site created for virtual conference.				

**Day 2 Highlights:** Day 2 witnessed 6 invited talks followed by YRS presentations for PGs and UGs.

<b>INVITED TALKS ON DAY 2 - FRIDAY (18.09.20)</b>							
<b>Time</b>	<b>Type of session</b>	<b>Topic</b>	<b>Resource person</b>				
09.30 AM - 10.15 AM	Scientific Talk	Novel Luminex and multiplex high throughput technology for the diagnostic characterization of clinical disease	 <b>Dr. Vaithinathan Selvaraju</b> <b>Visiting Scientist</b> <b>Department of Nutrition, Dietetics and Hospital Management</b> <b>Auburn University, Auburn, AL USA</b>			<b>Dr. Shaikh Jasmeen Vajir</b> Associate Professor Dept. of Anatomy RVM Institute of Medical Sciences Telengana	<b>Dr Jawahar</b> Professor & HOD, Dept. of Pathology AVMC,
10.15 AM - 11.00 AM	Scientific Talk	Zebrafish use in Medical Research	 <b>Dr. Pushkar Kulkarni</b> <b>BVSc&amp; AH, MVM, PhD, DABT</b> <b>Senior Research Scientist</b> <b>Dr. Reddy's Institute of Life Sciences BITS Pilani,</b> <b>Hyderabad. Hyderabad, Telangana, India</b>			<b>Dr. Karthick, professor,</b> Dept. of Anatomy Melmaravatur Adiparasakthi Institute of Medical Science and Research	
11.15 AM - 12.00 NOON	Scientific Talk	Protein Biosensor for Point of care Diagnostics	 <b>Dr. Selvakumar Edwardraja</b> <b>Senior Research Officer</b> <b>Australian Institute for Bioengineering and Nanotechnology</b> <b>The University of Queensland, Brisbane, Australia</b>			<b>Dr. Kiranmayee</b> Assistant Professor, Dept. of Cell Biology & Molecular genetics Sri Devaraj Urs Academy of Higher Education and Research	<b>Dr. Lakshmi Jatiya,</b> HOD, Dept. of Physiology, AVMCH
12.00 NOON - 12.45 PM	Scientific Talk	Physiological effects and therapeutic potential of Slow deep breathing	 <b>Dr. Om Lata Bhagat</b> <b>Additional Professor</b> <b>Department of Physiology</b> <b>All India Institute of Medical Sciences, Jodhpur.</b>			<b>Dr Milind Bhutkar</b> Dean, VMKVMC, Salem	<b>Dr. Ilankathir</b> Assoc. Prof. Dept. Of Anatomy, AVMCH
02.00 PM - 02.45 PM	Scientific Talk	Artificial intelligence algorithm in detecting epithelial ovarian cancer among patients presenting with ovarian	 <b>Dr. Suchitra Kumari</b> <b>Associate Professor</b> <b>Department of Biochemistry</b> <b>All India Institute of Medical Sciences (AIIMS)</b> <b>Bhubaneswar, Odisha.</b>			<b>Dr Nirupama Devi</b> Professor & Head, Dept. of Biochemistry Bhima Bhoi Medical College Balangir	<b>Dr. Sasmita Mishra</b> HOD, Dept. of Biochemistry, AVMCH

		mass		Odisha	
3.00 - 4.00 PM	Scientific Talk	Capacity building for research	 <p><b>Prof H P Khincha</b> Ex-chairman, electrical sciences wing, Indian institute of sciences, Bangalore <b>Former Vice Chancellor</b> <b>Visvesvaraya Technological University, Belgaum,</b></p>	<p><b>Dr. Vishnu Bhat</b> Director - Medical Research, AVMC</p>	<p><b>Dr. V. N, Mahalakshmi</b> Dean - Health Professions Education AVMCH, Pondicherry</p>
04.00 PM - 06.00 PM	Scientific Presentation	Scientific Presentation- Young Research Scholar Awards for PGs and UGs and e-posters for undergraduates were displayed at the event site created for virtual conference.			

The scientific program was followed by virtual cultural program. We had active participation by our students and delegates. 23 choicest items comprising of songs- Indian and western; dances and mime were played. The cultural program was enjoyed by all the delegates and faculty.

**Day 3 Highlights:** Day 3 witnessed 6 invited talks followed by YRS presentations for PhDs and oral presentations for faculty. Our Alumnus, Dr Vimal, Associate Professor, Department of Pathology, SMVMCH also delivered a talk on Ethical issues in Biomedical Research.

INVITED TALKS ON DAY 3 - SATURDAY(19.09.20)					
Time	Type of session	Topic	Resource person		
09.30 AM - 10.15 AM	Scientific Talk	Development of physiologically relevant disease platforms for therapeutic development	 <p><b>Dr. MadhuLal-Nag</b> <b>Program Director for the Research Governance Council,</b> <b>Center for Drug Evaluation and Research</b> <b>USFDA, USA</b></p>	<p><b>Dr.Evangeline Jones</b> Professor &amp; Head, Dept. of Biochemistry Vinayaka Missions Kirupananda Variyar Medical College, Salem, Tamil Nadu</p>	<p><b>Dr. Manju. M</b> Professor Dept. of Biochemistry, AVMCH</p> <p><b>Dr. Lakshmi Jatiya,</b> HOD, Dept. of Physiology, AVMCH</p>
10.15 AM - 11.00 AM	Scientific Talk	Robotics in Healthcare	 <p><b>Mr. Prasad Vagdargi</b></p>	<p><b>Dr Shital Chiddarwar</b> IV lab, VNIT, Nagpur</p>	

			<b>Ph.D Scholar in Computer Science Whiting School of Engineering Johns Hopkins University, Baltimore</b>		
11.15 AM - 12.00 NOON	Scientific Talk	Innovation in research, diagnostics and health-care sparked by COVID-19 crisis.	 <b>Dr. Sajita Setia</b> Executive director, Transform Medical Communications, Auckland, New Zealand	<b>Dr. Vijaya prajnaq Acharya</b> IMS & SUM Hospital, Bhubaneswar, Odisha	<b>Dr. Suryapriya.R</b> Assistant Professor, Dept. of Biochemistry, AVMCH <b>Dr M Gopinath,</b> Assoc. Prof. Det. Of Physiology, AVMCH
12.00 NOON - 12.45 PM	Scientific Talk	Emerging trends of brain stimulation in Neuroscience	 <b>Dr. Kaviraja Udupa, MD, PhD</b> Additional Professor, Dept. of Neurophysiology, National Institute of Mental Health and NeuroSciences (NIMHANS), Hosur road, Bangalore	<b>Dr G K Pal</b> Director-Professor, Physiology, JIPMER	
01.30 PM - 02.15 PM	Scientific Talk	Ethical issues in Biomedical Research	 <b>Dr. Vimal, M.D, PGDBE, FAIMER(2018 Fellow)</b> Associate Professor Department of pathology Sri Manakula Vinayagar Medical College & Hospital, Puducherry	<b>Dr.C.K. Lakshmi Devi</b> Professor & HOD Dept. of Anatomy MGMCRI, Puducherry	
02.15 PM - 03.00 PM	e-workshop	e- workshop on Molecular techniques - Basics for beginners	<b>Team</b> Centre for Biomedical Research, AVMC, Puducherry  <b>Dr Sambandam Ravikumar</b> Principal Scientist, Multi-disciplinary center for Biomedical Research, Aarupadai Veedu Medical college & Hospi	<b>Dr Sohinder Kaur</b> Professor, HOD, Director, Dept. of Anatomy Lady Hardinge Medical College, New Delhi	<b>Dr M Gopinath,</b> Assoc. Prof. Det. Of Physiology, AVMCH <b>Dr. M. Aarthi</b> Research Associate AVMC
03.00 PM - 03.45 PM	Scientific Talk	Translational animal research in developing medicines	 <b>Dr. Vetrivelan Subramaniyan Ph.D.</b> Associate Professor of Pharmacology Faculty of Medicine MAHSA University Malaysia	<b>Dr C Adhitan</b> Dean – Research, MGMC, Pondicherry	
03.45 PM - 05.30	Scientific presentation	Scientific Presentation Scientific Presentation- Oral presentations for -----and Young Research Scholar Awards for Faculty and e-posters for			

<b>PM</b>		undergraduates were displayed at the event site created for virtual conference.		
-----------	--	---	--	--

3 days virtual conference came to an end with valedictory function. The conference was well appreciated by all the Delegates, Resource faculty, Chairpersons and judges. Young Research Scholar awards were declared during the valedictory program. The award included citation and a cash prize. The conference was a feast for eyes and mind.

### Young Research Scholar Award Winners

Category	Name	Designation and Institute	Title of work
Faculty	Dr. Viveka M	Dept of Biochemistry JIPMER, Puducherry	Investigating the Role of Striatin on the Regulation of Nitric Oxide Bioavailability in the Placenta of Pregnant Women with Preeclampsia
PhD category	Dr. Victor Mukherjee	Pondicherry University	28-Homobrassinolide inhibits inflammation in LPS-induced RAW264.7 cells via the suppression of p38 MAPK/NF- $\kappa$ B signaling
	Dr. Sanu Thankachan	NIT, Calicut	Unraveling the lnc RNA/miRNA/PTPN3 axis in breast cancer
PG category	Dr. Swathika	Dept of Biochemistry JIPMER, Puducherry	Circulating Levels Of Vascular Endothelial Growth Factor And Differential Expression Of Its Receptors' in Peripheral Blood Mononuclear Cells in Adult Dengue Disease
UG Category	Miss. Arushi Seth	JNMC, Belgaum Karnataka	Alteration in memory due to Mild Traumatic Brain Injury; Evidences from neuropsychiatric tests

### Oral presentation Award Winners

Category	Department	Name	Designation and Institute	Title of work
Faculty	Anatomy	Dr. Sulochana	JIPMER	Morphology Of Middle Cervical Ganglion In Indian Population: A Cadaveric Study
		Dr. Devi Shankar	Narayana Medical College, Nellore,	Incidence Of Hypoplastic Posterior Communicating

			Andhra Pradesh	Artery And Fetal Posterior Cerebral Artery In Andhra Population Of India – A 3Tesla-MR Angiographic Study
		Dr. Mary HydrinaD'silva	Zoram, Medical College, Mizoram	Assessing DNA damage in the developing tissues of chick embryo on exposure to cell honeradiation using alkaline comet assay
		Dr. Ashwija Shetty	KASTURBA MEDICAL COLLEGE, MANIPAL	Genotoxic And Cytotoxic Events In Exfoliated Buccal Epithelial Cells Among Students Exposed To Formaldehyde During Cadaveric Dissection
Biochemistry		Dr. Angel Mercy Sylus	SR, Dept of Biochemistry JIPMER, Puducherry	A comparative study of angiopoietin-2 and IL-23 in Clomiphene Citrate Sensitive and Resistant Polycystic Ovary Syndrome.
		Dr. Sujatha	AP, Dept of Biochemistry PSGIMSR, Coimbatore	Serum Megalin levels & cardiovascular disease in type-2 diabetes mellitus
Physiology		Dr. Mayank Agarwal	Lady Hardinge Medical College UP, India	Diurnal variation in energy expenditure and fat oxidation rate after an acute bout of moderate-intensity exercise by young males
		Dr. Rajalakshmi. R	AP, JIPMER, Pondicherry	Quality of Sleep is associated with Body Mass Index, Cardiovascular Parameters and Cognition in Young Adults
BMR		Dr. Subathra Radhakrishnan	Dr. Rela Institute and Medical center, TN	Infrapatellar fat pad a novel source of autologous clinical grade stem cells for tissue engineering: a new insight on therapeutic intervention

PhD	Anatomy	Dr. Senthil Murugan M	Bharath Institute of Higher Education and Research, India	Memory Enhancing And Anti-Anxiety Properties Of BacopaMonnieri Against Aluminium Chloride Induced Neurodegeneration In Wistar Rats
	Biochemistry	Dr. R Sudha	Associate Professor, Dept of Biochemistry Vinayaka Missions KirupanadaVariyar Medical College and Hospital, Salem	Serum Renalase levels in Maintenance Hemodialysis patients
	Physiology	Dr. Pratima R. Bhadane	AP, Vinayaka Mission's K.V. Medical College & Hospitals, Salem	In Vitro Antiproliferative Activity of Ethanolic Extract of BlepharisMaderaspatensis (L) Against Various Cancer Cell Lines
	BMR	Dr. A. Charanraj Goud	JIPMER Puducherry, India	Influence of drug metabolizing enzymes (CYP2D6, CYP3A5) and drug transporter (ABCB1) genetic variants on risperidone treatment response in patients with schizophrenia
PG	Anatomy	Dr. Nandhini Devi	Institute of Madurai Medical College Tamil Nadu, India	Embalming in Pandemic
	Biochemistry	Dr. Induja M	JIPMER, Puducherry, India	Assessment of Organophosphorous pesticides exposure in male patients with idiopathic abnormal semen analysis- A pilot study
		Dr. Prachi Jena	MKCG Medical College and Hospital Berhampur, India	Evaluation of serum leptin concentration and insulin resistance in Polycystic ovarian syndrome in Southern Odisha
Physiology	Dr. Subham Samantaray	JIPMER, Puducherry, India	Assessment of EEG spectrum and its	

				association with cognitive impairment in breast cancer patients undergoing chemotherapy
	BMR	Dr. DarciaD'mello	Garden City University Bangalore, India	Phytochemical, GCMS Analysis and Antioxidant Profile of Ethanol Extract of Simaroubaglauca Seeds
UG: e-Poster	Anatomy	Mr. Vignesh. E	AVMCH, Puducherry, India	A Comparative study on different teaching modalities in Anatomy among first year MBBS students in a medical college in Pudhucherry.
		Ms. Mrinalini Devi	Govt. Villupuram Medical College, TN	A case of Moebius syndrome
	Biochemistry	Miss. Sree Kannathal R. K.	AVMCH, Puducherry, India	Association of HbA1c with serum liver enzymes in type 2 diabetes mellitus
	Physiology	Mr. Abdul Fazal Lukmani	Sri Devaraj Urs Medical College, Karnataka	The impact of particulate matter on pulmonary function in people living near mine tailing region

Hon'ble Chancellor, Dr A S Ganesan inaugurated the conference. The other dignitaries who joined Dr Ganesan virtually for the Inauguration were Dr Anuradha Ganesan, Director, VMRF; Hon'ble Vice Chancellor, VMRF Dr P K Sudhir; Mr Suresh Samuel, Member-Board of Management and Dr P F Kotur, Dean, AVMC and Dr T Rajan, Organizing Secretary.

Lamp lighting by the dignitaries and Organizing committee chairpersons and Secretary.

Dr Anuradha Ganesan, Director, VMRF released the e-Souvenir of BMS CON 2020. She also addressed the delegates.

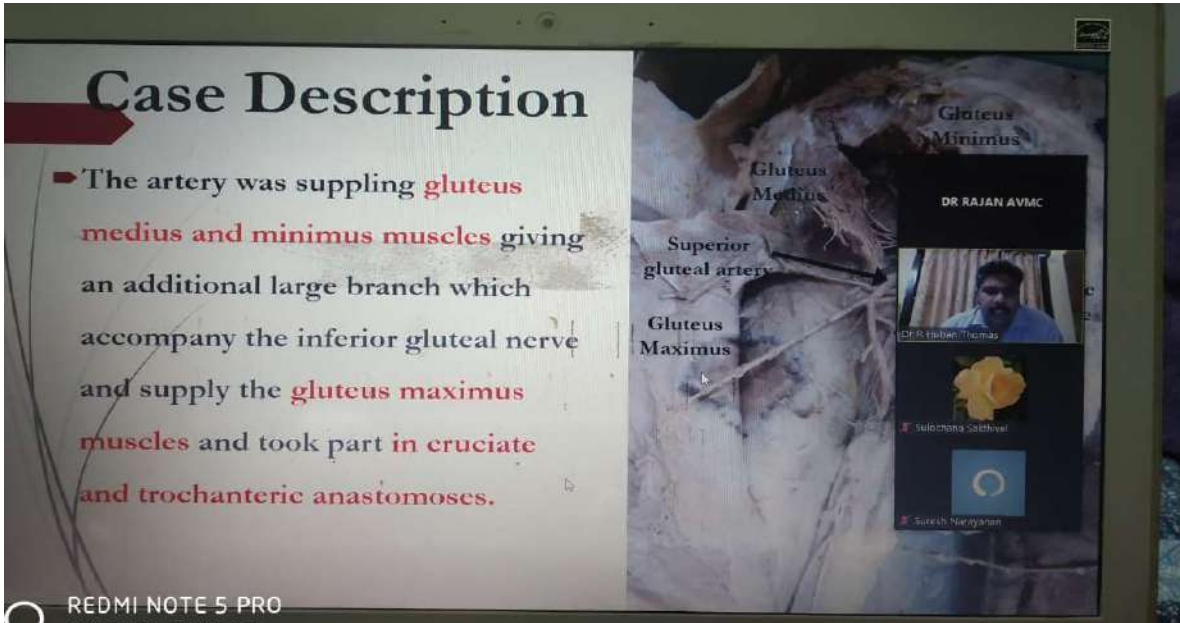

Dr Vivek Sharma, Dean, Government Institute of Medical Sciences, Greater Noida, UP, India giving a talk on “Applications of mind-body medicine”

Panel Discussion on “Enabling research in the Institute” by the panellists Dr. P. F. Kotur- Dean, AVMC, Dr. Vishnu Bhat- Director - Medical Research, AVMC and Dr. V. N. Mahalakshmi - DEAN - HPE, AVMC. Moderator: Dr Lakshmi Jatiya

AVMC  
AARUPADAI VEEDU MEDICAL COLLEGE

INTERNATIONAL  
e-CONFERENCE  
2020

17.09.2020 to 19.09.2020

Aarupadai Veedu Medical College is organizing a 3-day E-Conference on **"Emerging Trends in Research - Emphasis on Basic Medical Sciences"** from **17th to 19th September 2020**. This conference is aimed at Exploring and highlighting Latest Advances in Research and Applications on the next generation trending fields like - Artificial Intelligence, Medical Robotics, Alternate Animal Models for research etc., and thereby offering a platform for an intellectual walk to all the staff, students and professionals. Acclaimed faculty of National and International repute from various continents are sharing their knowledge to more than 1500 delegates. Other activities during the Conference include selection of young talent, young scientist award competitions etc. The Conference shall be **inaugurated by the Hon'ble Chancellor VMRF, Dr. A. GANESAN** on **17.09.2020 at 09.45 AM** and the conference shall be live streamed on **Youtube**. All may participate from the very comforts of their homes.

When : 09.45 AM

Where : Online Zoom Platform

Dr. T. RAJAN, Organizing Secretary

Dr. P.F. KOTUR, Dean
