The unlook process has begun & we are hopeful of imminent reopening of our institutions. The students need to adjust to the 'New Normal' behaviors of campus life once the Institutions re-open. To facilitate this process and to create a smooth landing pad for our students community, a value added program titled '**Pandemic Praxis and New Normal**' is, being organized at AVMC, on 23/11/2020, through CISCO Webex platform. The program schedule is enclosed. All students should participate this program without fail.
