

PG STUDENTS DISSERTATION TOPIC 2017 - 18

S.NO	DEPARTMENT	NAME	TITLES	NAME OF THE GUIDE
1	M.D. - Gen.Med.	Dr.Venkatesh Poludasu	Association of Hypoxemia with Chronic Liver Diseases- Cross Section Study	Dr. S.Vithiavathi
2		Dr.Arvind. J	Study of Cognitive Impairment in systemic Hypertension	Dr.N.Ramya
3		Dr.Wadgaonkar Udit Rajendra	Neck Circumference and Neck Height Ratio In Metabolic Syndrome	Dr.S.Prabhushankar
4		Dr.Yeruva Poulina Deepthi Reddy	A Study of Subclinical Hypothyroidism in Metabolic Syndrome	Dr. S.Vithiavathi
5		Dr.Duggirala Pujitha Chowdary	Role of Microalbuminuria in Assessing Hypertensive Retinopathy in Essential Hypertension	Dr.K.Sankar
6	M.D. - Paediatrics	Dr.Pari. P	Study of Etiological and Risk Factors of acute diarrhoeal disease in children Between 1 Month to 5years of Age	Prof.Dr.N.S. Ragupathy
7		Dr.Renuka Devi. C	Determinants of Various Anthropometric Parameters of Term Newborn at Birth In AVMC, Puducherry	Prof.Dr.N.S. Ragupathy
8		Dr.Katam Shravan Kumar	A Study of Etiological and risk factors in neonatal respiratory distress	Prof.Dr.N.S. Ragupathy
9		Dr.Alpoor Tharun Tej	To Study the risk factors and Its Association with outcomes of pneumonia in children between 2 months to 5 years	Dr.A.Dharmalingam

10	M.D. - Obs. & Gyn.	Dr.Nambala Divya Sahitya	Endometrial Changes In Abnormal Uterine Bleeding Associated With Thyroid Disorders A Histopathological Analysis	Dr.Vijaya Koothan
11		Dr.Anu Nandita. M	Efficacy of Fibre Optic Micro-Endoscopy in Evaluating Unhealthy Cervix in Comparison with standard Colposcopic Method	Dr.Vijaya Koothan
12	M.D. - Dermatology	Dr.Nithya Logeshwari. K	Role of Dermaroller (Microneedling In Management of Atrophic Scars	Dr.Prof.P Oudeacoumar
13		Dr.Suganya. S	Prevalence of Metabolic Syndrome In Patients with Psoriasis	Dr.Prof.P Oudeacoumar
14	M.D. - Radiology	Dr.Priyadharshini Bala. V	Role of Ultrasonogram Abdomen and Contrast Enhanced Computed Tomography in the Evaluation of Acute Pancreatitis and its Complications	Dr.Prof.Nitishkumar Yeslawath
15		Dr.Abinaya. R	Correlative Study of Suspected Intrauterine Growth Restricted Pregnancies and Its Adverse Perinatal Outcome With Duplex Doppler	Dr.Prof.Nitishkumar Yeslawath
16		Dr.Kamireddy Arun Kumar Reddy	Role of Portal Vein Color Doppler and Splenic Size to Evaluate Portal Hypertension and its correlation with Esophageal Varices	Dr.Prof.Nitishkumar Yeslawath
17	M.S. - Gen. Surgery	Dr.Mallikarjun. N.H	Comparison of Tzanakis Scroe Verses Alvarado Score in Acute Appendicitis	Dr.Prof.R.Chandrasekaran
18		Dr.Euvalingam. D	Comparative Study of Open and Closed Drainage In Breast Abscess	Dr.G.K. Venkatachalam

19		Dr.Pratheep Karthick. P	A Comparative Study of Collagen Dressing Versus Conventional dressing in Chronic Non Healing Ulcers	Prof.Dr. B.Kanchana
20		Dr.Thrivikrama Rao	Comparative Study of Laparoscopic Inguinal Hernia Repair (TAPP) with Conventional Open Hernioplasty	Prof.Dr. S. Madhivanan
21		Dr.Dhanush. C.M.L	Comparative Study of outcome of open fistulectomy versus fistulectomy with primary closure in low level fistula in ANO	Prof.Dr. B.Kanchana
22		Dr.Brinda. K	Comparative Study of Hemorrhoidectomy and Band Ligation in Treatment of Grade III Hemorrhoids	Prof. Dr. R.Chandrasekaran
23	M.S. - E.N.T	Dr.Kiran Gangadhar. S	Outcomes of Endoscopic Adenoidectomy and conventional adenoidectomy-A Comparative study	Prof.Dr.Jayita Poduval
24		Dr.Ranjitha. V	Comparative study Between Endoscopic Septoplasty and Conventional Septoplasty for Deviated Nasal Septum	Prof.Dr.Jayita Poduval
25		Dr.Nishad Amrin. H	Long Absent	
26	M.S. - Ortho.	Dr.Uidesh Yadav	A Comparative Study of Functional Outcome Following Proximal Humeral Interlocking Osteosynthesis (Philos) Plating Versus Percutaneous pinning in proximal Humerus fractures	Dr.N.Bharath
27		Dr.Maghil John santhosh	Functional and Radiological Outcome of Diahyseal Both Bone Forearm Fractures Treated with Titanium	Prof. Dr.R. Arunmozhimaran Vijaybabu

			Elastic nail System (Tens) In Children	
28		Dr.Narashimha Reddy Chilukala Siva	A Prospective Study of Functional Outcome of Ankle Fractures Treated With Different Treatment Modalities	Prof. Dr.R. Arunmozhimaran Vijaybabu
